

What Is the MVNU Portal?

The MVNU Portal is a multifunctional website for MVNU faculty, staff, and students exclusively. The Portal allows the MVNU community to access everything from cafeteria menu information to personnel directories and everything in-between.

The screenshot shows the MVNU Portal homepage for a student user. The browser address bar displays <https://portal.mvnu.edu/student/Pages/default.aspx>. The user is identified as Joshua P. Cunningham. The page features a navigation menu with options like MVNU Portal, Home, MVNU Community, Employee Resources, Spiritual Life, Student Resources, GPS Student Resources, and Course Catalog. The main content area is divided into several sections: 'My Week' with a calendar for October 2014 (today is Friday, October 31); 'You have 9 unread messages'; 'Mostly Cloudy 41°F' weather; 'MVNU Online' with a list of recent updates including 'Motherboard Tech Talk', '2014FA Digital Photography (GRD-2093-1)', and 'Page: Photo Book (1 update)'; 'Announcements' (currently empty); 'Campus News', 'Campus Events', and 'My Feeds'; 'Quick Links' with various services like iHelp Ticket System, MVNU Helpdesk, Lakeholm Viewer, Library, MVNU Online, and Public Website; 'My Bookmarks' with a 'Google' bookmark; and 'WebAdvisor' with links for Students, Faculty, Employees, and Advisors.
