

What Is the MVNU Portal?

The MVNU Portal is a multifunctional website for MVNU faculty, staff, and students exclusively. The Portal allows the MVNU community to access everything from cafeteria menu information to personnel directories and everything in-between.

The screenshot shows the MVNU Portal homepage for a student. The browser address bar displays <https://portal.mvnu.edu/student/Pages/default.aspx>. The user is logged in as Joshua P. Cunningham. The page layout includes a navigation menu with options like 'Home', 'MVNU Community', 'Employee Resources', 'Spiritual Life', 'Student Resources', 'GPS Student Resources', and 'Course Catalog'. The main content area is divided into several sections: 'My Week' with a calendar for October 2014, 'My To Do' list, 'MVNU Online' announcements (including 'Motherboard Tech Talk' and '2014FA Digital Photography'), 'Announcements' (currently empty), 'Campus News', 'Campus Events', 'My Feeds', 'Quick Links' (with links to iHelp Ticket System, MVNU Helpdesk, Lakeholm Viewer, Library, MVNU Online, Public Website, and MVNU main website), and 'My Bookmarks' (with a bookmark for Google). The user's name 'Joshua P. Cunningham' is displayed in the top right corner.
