What Is the MVNU Portal?

The MVNU Portal is a multifunctional website for MVNU faculty, staff, and students exclusively. The Portal allows the MVNU community to access everything from cafeteria menu information to personnel directories and everything in-between.

1) Open a web browser and got to https://portal.mvnu.edu
2) In the username field (middle of screen), type in your MVNU username
3) In the password field (middle of screen), type in your MVNU password
4) Click the “login” button under the login field
5) You are successfully logged into your portal page when you see MVNU Portal on the left hand side, and your name on the top-right side
