

Submitting a New Ticket

Why submit a ticket?: The ticketing system is used across campus because it allows for a centralized location about the problem and it allows the MotherBoard staff to keep track of each issue. After submitting a ticket the user will receive updates on the progress of their ticket each step of the way.

Step by step guide to submitting a ticket:

- 1) To enter a new ticket, go to <https://ihelp.mvnu.edu>
